Alumni Weekend 2007

A Message from the Director of Alumni Relations

When were you last on campus? Has it been 5, 10, 25, or even 50 years? However long it may have been, now is the time to make plans to return to Pomona College for a weekend with fellow Sagehens, current students, and favorite faculty. We have assembled a weekend of activities that will reconnect you with the academic life on campus and provide opportunities to renew acquaintances and make new friends. President David Oxtoby will be hosting an all class dinner in the Rains Center and speaking in Big Bridges. The Alumni Symposium will explore topics in memory and memoir. Alumni vintners will be featured at a Wine Tasting in Frary. The Pomona College Band and Glee Club will perform in Little Bridges. And class reunion dinners will be held across the campus on Saturday. This schedule provides just a few of the highlights of Alumni Weekend activities. The complete schedule will be posted on our website (www.pomona.edu/alumniweekend) before the event and available in print when you arrive on campus. Please make your reservations now, using the enclosed form. Information on hotels is included as well. If you have any questions, please call the Alumni Office at 1-888-SAGEHEN. We look forward to welcoming you back to campus!
